Hi Yosi

I am sorry to see you leave Tower, and I want to thank you for your immense contributions to bringing Tower through so many adversities to where it is today- getting stronger by the day, growing and full of optimism for its future. I consider myself fortunate for developing the personal friendship with you, and I hope that we can continue on that path of friendship, regardless of Tower.

Good luck in your new challenge, and please take more time away from work to smell the roses with your family.

Best Regards

eli
